

2024 CAREGIVER OF THE YEAR AWARD

FINALIST

**Regina
Lorenzetti**

**Home Helpers Home Care
Bradenton, FL**

Gigi is the kind of caregiver who just makes you smile when you think about the impact she's had on her clients. She's been in the home care field for nearly 25 years, and in her five years with Home Helpers, she has never once called off work. Gigi doesn't just go through the motions. She's the kind of person who shows up, day in and day out, ready to make a difference. On her day off, Gigi visited a client's home and brought a gift to celebrate her 96th birthday because she wanted the client to feel special and knew she was not in good health. She consistently goes above and beyond. One of her client's families shared how she not only cared for their loved one, but also took the time to bring joy to their days, sharing fun stories and making sure they felt connected. It's those little moments, those extra steps Gigi takes, that show just how much she cares. Her actions don't just meet expectations, they exceed them, making her clients' lives a little better every day.
