

2024 CAREGIVER OF THE YEAR AWARD

FINALIST

**Jelisa
Shelton**

**Pro Careers, Inc.
Parkersburg, WV**

Two years ago when Jelisa started with her agency, they knew she was special. She takes great care not only of her client, but also of his wife – taking them BOTH to every appointment, even though she is only paid to care for the husband. She loves them like her grandparents. Even though she only works Monday through Friday with them, Jelisa goes over to their house on the weekends to make sure they are ok and that they have food and supplies. On Thanksgiving, she takes them to her house for dinner and they rent movies. She is a blessing to them! The family is so relieved to have her because with them living out of town, they do not have to worry about their parents being taken care of. The family calls the office at least once a week and thanks them for Jelisa being there for their parents and for taking such good care of them. She is a single mother of a two-year-old daughter, and she is a very caring, loving and dependable person.
